

Certificate of Registration

ENVIRONMENTAL MANAGEMENT SYSTEM - ISO 14001:2015

This is to certify that:

Aptiv Contract Services - HQ
Av. Rafael Perez Serna y Henry Dunant #525
Parque Ind. Omega
Cd. Juarez
Chihuahua
32320
Mexico

Holds Certificate No:

EMS 53339

and operates an Environmental Management System which complies with the requirements of ISO 14001:2015 for the following scope:

The environmental risks and controls associated with the design and manufacture of power and signal distribution systems and related components which include wire extrusion (PVC, cross link, polyethylene coating), metal stamping, component assembly, injection molding, compound coating and resource materials compounding, including but not limited to the automotive industry and manufacture and or assembly of electronics and electronics connectors and interconnects, flexible printed circuit and coax cables for the military, aerospace and commercial industries including activities of machine shop and molding and Manufacture and or assembly of High Frequency Assemblies (Coax Cable, USB) for the automotive industries including activities of cutting, crimping, over molding and model shop.

For and on behalf of BSI:

Carlos Pitanga, Chief Operating Officer Assurance – Americas

Original Registration Date: 2000-01-10

Effective Date: 2016-09-03

Latest Revision Date: 2018-08-28

Expiry Date: 2019-09-02
